

Sajay Jai Singh

Helping software speak and sound human.

📍 Dublin, Ireland 📞 (+353) 892303423 ✉️ sajay.contentjedi@gmail.com 🔗 linkedin.com/in/sajaysingh
🌐 sajajaisingh.vercel.app

Computer science engineer and sociology student with 5 years of work experience at the intersection of technology, UX, and language.

Led content design for fintech products serving 20 Million+ users, enabling 1 Billion+ orders in 2024. Built and managed a team of 4 UX writers while establishing scalable design systems.

Part time DJ. Eternally curious. Usually found in the mountains on the weekend.

WORK EXPERIENCE

Angel One Ltd.

Feb 2022 — Oct 2024

Senior UX Writer

↑ Promoted

Mar 2024 — Oct 2024

- Guided 4 UX writers to collaborate with designers, researchers, & product managers to deliver compelling UX solutions.
- Led UX content strategy for 8 fintech products, serving 20 million Indian investors and driving over 1 billion orders in 2024.
- Integrated content components in the design system, maintaining guidelines for scalability & cross-regional consistency.

UX Writer

Feb 2022 — Mar 2024

- Worked with UX designers and product managers to brainstorm and prototype user flows across 4 different products.
- Created microcopy for all UX flows, partnering with UX researchers to incorporate insights into content solutions.
- Developed UX writing guidelines & best practices to ensure consistency across cross-functional teams.

Technical Writer

Jan 2021 — Jan 2022

SDOD Technologies Pvt. Ltd.

- Collaborated with UX designers to prototype and design content for 3 products: UI labels, notifications, empty states, pop-ups, and error states.
- Revamped UX for product support flows, decreasing support tickets by 30% & accelerating user onboarding by 2 weeks.

Member, Growth Team

May 2020 — Nov 2020

Vokab Technologies Pvt. Ltd.

- Revamped UX copy for 2 SaaS products, boosting feature flow completion by 37%.
- Worked across teams to create positioning strategies, content marketing plans, & engaging content design.

Senior Content Writer

Jul 2019 — Mar 2020

Greytip Software Pvt. Ltd.

- Delivered user-focused marketing content across website, landing pages, long-form blogs, newsletters, and online advertising.
- Revamped email campaigns, achieving open rates over 40% and CTRs over 6—10%.

Content Marketing Writer

Jan 2018 — Jun 2019

Self Employed

- Worked on 15+ projects with 10+ companies globally, including industry leaders such as LiveChat Inc.
- Created and launched campaigns for North America, Europe, Israel, and South East Asia.

Digital Marketing Executive

Jun 2017 — Dec 2017

Soultrippy Adventures Pvt. Ltd.

- Increased organic web traffic from 3,000 to 25,000 visits/month; organic traffic share from 5% to 38%.
